

Cries of my Mighty Soul

In this age of double talk and slander (revolt) and stage-coach drama we must find ourselves (revolt) to awaken our potential our better selves (revolt) that exist to adorn the beliefs and blessings (Revolt) that fall upon us from on high.

As human beings who were meant to inherit (Revolt) a more humane society (Revolt) and more prosperous Earth for our children (REVOLT) and their children (REVOLT) and their children (REVOLT) however, we must first ask ourselves how did we contribute—REVOLT, to the disappointing moment that we are now standing in?

For the quest of a higher self, REVOLT, we must unchain ourselves REVOLT, from the shackles of the mind, REVOLT! and such ascetics that continue to keep us down REVOLT, distracted by the delusion that things will get better ONLY if we pray hard enough REVOLT!!

As an intelligent species REVOLT we must continue to
strive for evolutionary ways of existence REVOLT!!! In order
to survive we must journey onward REVOLT in search for a
better way of life for all moving past REVOLT that which
used to enslave us REVOLT!!! And force us into
unnecessary oblivion REVOLT!

Find your purpose. REVOLT. And let THAT
PURPOSE GUIDE YOU! REVOLT. Let it lead you out of
the field of sadness REVOLT and the lies REVOLT
that have deprived us and depleted us REVOLT, stolen

from the magic of our very natures **REVOLT** in order to
feed its own avarice.

Child **SLEEP NO MORE!** Instead awaken to the sound
REVOLT and fury **REVOLT** of the universal truth.

That there is only one path to existence and that is harmony, but
to have harmony you must be willing to fight. To fight you must
except the gift of truth. Even if others wished this folly upon us
REVOLT do not believe we are forsaken: **REVOLT**

DO NOT BELIEVE WE ARE ABANDONED! DO NOT
IMAGINE YOURSELF THAT WHICH IS BORN TO
STRUGGLE, SUFFER AND LOSE! We are much more than
that, we are the dreams of our ancestors **REVOLT**, the

dreams of our forefathers, **REVOLT**, and most

importantly the bridge between now and the future

REVOLT

NOW IS THE TIME TO TAKE WHAT IS RIGHTFULLY
OURS FREEDOM IS NOT FREE. FREE MUST BE EARNED
REVOLT THROUGH, MORE THAN THE DEDICATION OF
THE BODY. MORE THAT BLOOD SWEAT AND TEARS!
FREEDOM MUST BE EARNED THROUGH THE BRAVERY
OF THE SPIRIT! THE VERY NATURE THAT SOME WISH
TO FALSELY DENY!

FOR MAKE NO MISTAKE THIS IS A WAR AGAINST
ALL THAT IS VALUABLE, ALL THAT IS SACRED.
EVERYTHING AND EVERYONE WHO HAS BEEN

DOWNTRODDEN AND FORGOTTEN BY THE
UNFORGIVING. IN TIMES LIKE THESE GREAT THINGS
CAN HAPPEN BUT ONLY IF WE REMEMBER OUR
COMPASSION OR LOYALTY OUR SENSE OF TRUE
JUSTICE! WE MUST REMEMBER THOSE THAT THEY
HAVE FORGOTTEN, THOSE THAT HAVE BEEN
UNJUSTIFIABLY MURDERED AND MUTLIATATED
UNDER A CRUEL HAND AND CRUEL LAWS!

We must not stand here and take that injustice as order. We
must not tolerate that which **MUST BE OPPOSED!**

When we look to the heavens on high in search for an
answer we must not be afraid to hear the call of that which must
be done. With all the bravery beating in our hearts we will, we
must, we **HAVE** to:

REVOLT

REVOLT

REVOLT!
